

New Distributor Orientation Checklist

Please use this checklist to complete all the items in Our New Distributor Orientation program. This program will help you build a firm foundation to your Synergy business. It will also provide you with a good start on learning how to be Elite Honors Qualified each month.

Recommendation: We suggest setting up a folder on your computer titled “**The Synergy Library**” and then download any PFDs and other resource material to this folder. This will provide you with one central location to find anything you need.
